GENERAL DISCLAIMER:

Actual product may differ slightly from what you see here. Virtual rendering should only be used as a guide and not an actual recreation of the final product. The colors you see on the screen may slightly differ from actual colors. For a more accurate representation of colors, please refer to a Pantone® book. Dye-sublimation is a CMYK printing process. PMS colors that are called out will be matched as close as possible. Exact PMS or CMYK color match not available. For BEST results, supply vector artwork and call out PMS - Solid Coated colors. Art files that are submitted as bitmap, jpg or files with gradients cannot be printed with PMS values.
